

SPONSORSHIP REQUEST

HELP SUPPORT the Manitoba Women in Construction, an initiative of the Winnipeg Construction Association in introducing grades 5 and 6 girls to trades in the construction industry.

Unlocking the ToolKit Girls Forum

Unlocking the ToolKit

The purpose of this event is to provide grade 5 and 6 girls the opportunity to try construction trades that are not traditionally held by women.

This exciting event will feature an entirely interactive experience with hands-on demonstrations in carpentry, drywalling, electrical wiring, crane simulation, plumbing and pipe fitting, to name a few. Students will have a chance to interact with our skilled female journeymen and learn more about Manitoba's construction industry.

This year's event will be held at the Winnipeg Construction Association's Construction Education Center

Thursday, April 19, 2018 - 9:30am—2:30pm

Support our industry and help promote our future.
